## Indigestion

Stomach trouble is but a symptom of, and not in itself a true disease. We think of dyspepsia, heartburn, and indigestion as real diseases, yet they are symptoms only of a certain specific nerve sickness--indigestion.

It was this fact that first correctly led Dr. Shoop in the creation of that now very popular Stomach Remedy--Dr. Shoop's Restorative. Going direct to the stomach nerves, alone brought that success and favor to Dr. Shoop and his Restorative. With out that original and highly vital principle, no high lasting accomplishments were ever to be had.

For stomach distress, bloating, biliousness, bad breath and yellow complexion, try Dr. Shoop's Restorative--tablets or Liquid--and see for yourself what it can and will do. We sell and cheerfully recommend.

A tickling cough, from any cause, is quickly stopped by Dr. Shoop's Cough Cure. And it is so thoroughly harmless and safe, that Dr. Shoop tells mothers everywhere to give it without hesitation, even to very young babes. The wholesome green leaves and tender stems of a lung-healing mountainous shrub, furnish the curative properties to Dr. Shoop's Cough Cure. It calms the cough and heals the sore and sensitive bronchial membranes. No opium, no chloroform, nothing harsh used to injure or suppress. Simply a resinous plant extract that helps to heal aching lungs. The Spaniards call this shrub which the Doctor uses, "The Sacred Herb." Always demand Dr. Shoop's Cough Cure. For sale by F. C. Duerson. 21-4t

## INAUGURATION.

### Some Facts of This Event.

Ten thousand enthusiastic citizens of the Commonwealth saw Augustus E. Willson inaugurated Governor on the 10th, making the third Republican who has been accorded this distinction and honor, in the history of the State.

A chilly wind blew and a mixture of snow and rain fell. Cadets from State College, the K. M. I. and the M. M. I., the two Frankfort militia companies took part in the parade. All Frankfort was in gala attire.

Governor Willson and Governor Beckham had never met, personally. Chief Justice O'Rear had the pleasure of introducing them shortly before they stepped into the first carriage in the parade. Judge O'Rear and Mayor Hume also took seats with them.

Behind the Governor's carriage were others containing the incoming and outgoing State officials and other leading men of the State, including the Judges of the Court of Appeals and the City Council members.

The parade, almost a mile long, terminated with a huge log cabin. In front stood a man with a coon on his shoulder, while the heads of small pickaninies protruded from the windows.

Arm in arm the two Governors walked to the platform. Mrs. Willson occupied a seat near her husband. Rev. Crowe, of the Presbyterian Church, prayed.

TESTIMONIAL TO GOV. BECKHAM.

Mayor Hume read a testimonial and resolutions adopted by a committee of citizens of Frankfort. He presented Governor Beckham with a silver service and a handsome "grandfather's" clock as a testimonial of their gratitude for the friendship which the Governor has shown for the city.

GOV. BECKHAM'S SPEECH.

He thanked Kentuckians for honors and kindness bestowed upon him and yet, said he:

"I can say to you that it is with a feeling of relief and pleasure that I can again join the ranks as a private citizen of this State. I want to say to my distinguished successor and the better part of him, his noble wife, who, experience has taught me, will be the real Governor of Kentucky for the next four years--that they will live among the most hospitable people on earth and the most kindly people that can be found anywhere."

He then wished the new Governor success and happiness.

GOV. WILLSON SPEAKS.

In part he said:

"I thank the people of Kentucky for their generous kindness which no man could deserve. The people have come to witness the ceremony of the change of parties and administration."

"All is done in a spirit and manner most fitting and worthy of the people. All of the strife and contention of the campaign and election are ended. A great revolution has taken place but it has been quiet, orderly and without danger of disturbance--a revolution by ballots in a free State and a fair election."

RESULT ACCEPTED BY ALL.

"All the people accept the result as good citizens without ill feeling on the one side or unseemingly triumph on the other. Those who lost meet the result like men of courage and high spirit. Those who won realize the sturdy strength of those with whom the battle was fought. There is no sign of hate or bitterness."

"Throughout the State the people who were, just now, divided into strictly opposing camps, are again united cordially in the bonds of love of our country and loyalty to the Commonwealth and human brotherhood, steadfastly upholding our old laws and our new officers even as if they had never been divided."

After referring to the sacred pledge to be loyal to the people, the Constitution and the law, he said:

"I take that pledge earnestly and

with deep and serious feeling, resolved that my work and life shall show better than my words can tell how deep and strong is my feeling of the wonderful, almost incredible kindness of all of our people to me.

REVERENCE FOR GOVERNMENT.

"I respond to that kindness with my heart full of love of all the people and with reverence for our form of government."

"No one could possibly feel more grateful or more solemnly bound to give back rich measure than I do, and no one could be more soberly and seriously conscious than I am of his utter helplessness to make such returns without the help and favor of our God, the steadfastness of our institutions and the constant good will and the steadfast support of our people."

ENTERES WORK WITH ANXIETY.

"I enter upon my work and duties with grave and anxious care, but unflinching faith, hope and courage."

"With the taking of the oath of office I devote my life, my hopes, and all the powers given me with fervent zeal, for the four years of my term or so much thereof as I may be spared to work, as the chosen Governor of all the people in unselfish service."

Continued next week.

### A Woman's Back

Has many aches and pains caused by weaknesses and falling, or other displacement, of the pelvic organs. Other symptoms of female weakness are frequent headache, dizziness, imaginary specks or dark spots floating before the eyes, gnawing sensation in stomach, dragging or bearing down in lower abdominal or pelvic region, disagreeable drains from pelvic organs, faint spells with general weakness.

If any considerable number of the above symptoms are present there is no remedy that will give quicker relief or a more permanent cure than Dr. Pierce's Favorite Prescription. It has a record of over forty years of cures. It is the most potent invigorating tonic and strengthening medicine known to medical science. It is made of the glyceric extracts of native medicinal roots found in our forests and contains not a drop of alcohol or harmful, or habit-forming drugs. Its ingredients are all printed on the bottle-wrapper and attested under oath as correct.

Every ingredient entering into "Favorite Prescription" has the written endorsement of the most eminent medical writers of all the several schools of practice--more valuable than any amount of non-professional testimonials--though the latter are not lacking, having been contributed voluntarily by grateful patients in numbers to exceed the endorsements given to any other medicine extant for the cure of woman's ills.

You cannot afford to accept any medicine of unknown composition as a substitute for this well proven remedy or known composition, even though the dealer may make a little more profit thereby. Your interest in regaining health is paramount to any selfish interest of his and it is an insult to your intelligence for him to try to palm off upon you a substitute. You know what you want and it is his business to supply the article called for.

Dr. Pierce's Pleasant Pellets are the original "Little Liver Pills" first put up by old Dr. Pierce over forty years ago, much imitated but never equalled. Little sugar-coated granules--easy to take as candy.

### Night Riders Denounced.

At Frankfort, Cicero E. Barnett, of Hartford, Ky., president of the American Society of Equity, severely scored the "night riders" for their destruction of property. Barnett said: "As National president of the American Society of Equity of North America, I desire to denounce, in the strongest terms at my command, the recent outrageous conduct of those who composed the mob at Princeton and Hopkinsville, and all other unlawful acts which have been committed in Western Kentucky."

"I have no knowledge as to whether or not those people are members of the Society of Equity. If they are members they are the worst enemies to the society, and those who are well wishers for the success of its principles will lend whatever aid they can in apprehending and bringing to justice these violators of the law. No person who is a true friend of this order will make speeches calculated to excite and bring out deeds of violence."

## It Costs Nothing

To find out for a certainty, whether or not your heart is affected. One person in four has a weak heart; it may be you. If so, you should know it now, and save serious consequences. If you have short breath, fluttering, palpitation, hungry spells, hot flushes; if you cannot lie on left side; if you have fainting or smothering spells, pain around heart, in side and arms, your heart is weak, and perhaps diseased. Dr. Miles' Heart Cure will relieve you. Try a bottle, and see how quickly your condition will improve.

"About a year ago I wrote to the Miles Medical Co., asking advice, as I was suffering with heart trouble, and had been for two years. I had pain in my heart, back and left side, and had not been able to draw a deep breath for two years. Any little exertion would cause palpitation, and I could not lie on my left side without suffering. They advised me to try Dr. Miles' Heart Cure and Nervine, which I did with the result that I am in better health than I ever was before, having gained 14 pounds since I commenced taking it. I took about thirteen bottles of the two medicines, and haven't been bothered with my heart since." MRS. LILLIAN THOMAS, Upper Sandusky, Ohio.

Dr. Miles' Heart Cure is sold by your druggist, who will guarantee that the first bottle will benefit. If it fails he will refund your money.
